1 PROJECT STATUS REPORT PURPOSE

The Project Status Report is a document that Project Managers may use as a means of formal regular reporting on the status of a project to key project stakeholders, including the Steering Committee, Project Sponsor, and Senior Manager.

2 PROJECT STATUS REPORT TEMPLATE

2.1 Project Status Report Details

- Stakeholder processes collected
 - The database system will be for archiving and processing of papers through the office of the Research Development Centre of the Philippine Army.
 - Event Table
 - The first collection of data from the client were successful.
- No budget expenditure so far.
- There will be a network and security risks since other documents are classified.
- Some users are not computer literate which is a challenge for the developers to create an interface that should be easily understood by all users.
- Regular consultation from professors and clients.
