## 2 PROJECT STATUS REPORT TEMPLATE

### 2.1 Project Status Report Details

- Stakeholder processes collected
  - The database system will be for archiving and processing of papers through the office of the Research Development Centre of the Philippine Army.
  - Event Table
  - The first collection of data from the client were successful.
- No budget expenditure so far.
- There will be a network and security risks since other documents are classified.
- Some users are not computer literate which is a challenge for the developers to create an interface that should be easily understood by all users.
- Regular consultation from professors and clients.
